SPA PHILOSOPHY

Our method focuses on people's real needs by a scientific skin's check-up to evaluate the state of the skin and consequently apply a tailor-made program to provide the best results. Every treatment is completely customized and has a scientific approach thanks to a synergy of cosmetics, massages and technologies, in order to combine the best esthetic efficiency with the best well-being sensation.

.....

SPECIFIC FACIAL TREATMENTS

.....

"The Contact" is the welcome phase that precedes every treatment and consists in a mix of massages and aromas for an immediate relaxation.

FACE SKIN ANALYSER

A personalized check-up done by 3D-technology to examine a variety of skin conditions such as the hydration level, sebum, flaws and blemishes.

Thanks to this machine, we can suggest you specific treatments against every type of flaw.

SPECIFIC FACE CLEANSING

A careful skin check-up to identify skin's needs. From the first approach, it restores the correct physiological balance of all skin types.

Duration: 55 minutes - Price: 60.00 Euro

SUPREME MOISTURIZATION

Dry and thin skin tends to highlight expression signs, tiredness and stress and just to "quench" it from the outside is not enough. "Supreme moisturization" is a necessary treatment for skin's health and beauty made with the best massage techniques for a magical, relaxing moment.

Duration: 60 minutes - Price: 60.00 Euro

FRESH EMOTIONS

This is the right answer for sensitive and intolerant skins, with widespread redness. Velvety and fresh textures to calm, brighten, hydrate and give an immediate comfort.

Duration: 60 minutes - Price: 70.00 Euro

BALANCE

Particularly recommended for skins with flaws (such as enlarged pores, shininess, bumps and blemishes), it is also a SOS treatment for normal skins, afflicted by flaws in specific cases, such as stress moments, genetic inclination and hormonal imbalances.

Duration: 60 minutes - Price: 60.00 Euro

PURE ENERGY:

The energy of Vitamin C, intensified by Lime butter from Mexico is here used to guarantee to every skin type a regenerative, enlightening, strengthen and moisturizing action. It can be used before or after sunbathing, to intensify tan and make it stay longer.

Duration: 60 minutes - Price: 80.00 Euro

WHITE MOON

Environmental pollution, incorrect exposure to sunrays and hormonal imbalances are some of the major causes of an uneven appearance. Skin thickens and dulls, it turns grey and could even show blemishes. "White Moon" is an effective treatment to provide an immediate radiance to the face and to smooth the skin.

Duration: 60 minutes - Price: 70.00 Euro

DELAY INFINITY
